SUPPLIES NEEDED FOR FAIRY BOTTLE

To make a Fairy Bottle, you will need:

1 6oz craft bottle, mason jar, or an empty soda/water bottle (I'm using a mason jar)

1 cup warm water

Multiple colors/sizes of glitter (I am using chunky glitter, fine glitter, and different shaped glitter: stars, snowflakes, hearts, etc.)

One 5oz bottle of clear Elmer's glue

Optional:

Super glue (to glue lid shut)
